BROCHURE

**London Golf Club prides itself on being one of the best venues
at which to host a golf event.**

Every need is catered for, and no detail is missed. From the moment your guests enter our manned gates and drive the mile to the clubhouse they will know they are heading for a day to remember.

Your guests are greeted at the clubhouse where their golf bag is unloaded and kept ready and waiting for them when it's time to play. Players can warm up from grass tees with the best Callaway practice balls, on our 330-yard practice ground which includes a practice chipping green and bunkers.

Booking your golf event at London Golf Club is very simple. Select one of our packages or build a bespoke event using many of the options available to you. Our events team are highly experienced and dedicated to making your day run perfectly so feel free to discuss any requirements with them.

COURSE MAPS

THE HERITAGE

The Heritage Course is a classic Jack Nicklaus course, which forces you to consider every shot. Dramatic tee shots and daunting approaches make this course both memorable and challenging.

In 2008 & 2009 the Heritage course played host to the European Open, and in 2021 the course will host the Cazoo Classic. Exclusively for the use of members and their guests.

The background features rolling hills, scattered trees, and a few buildings under a cloudy sky. The overall tone is dark and atmospheric.

COURSE MAPS

THE INTERNATIONAL

The International Course is undoubtedly one of the finest downland courses in Europe. Fast, undulating fairways allow you to chase the ball into position.

The course is punctuated with exciting risk and reward tee shots over water that really get the heart pumping.

Host of the 2018 & 2019 Staysure PGA Seniors Championship, The International recently hosted both the Volvo World Match Play and Regional Open Qualifying.
